If you do not know anyone who is a member then we have a membership process which involves a meeting between the applicant and two members of the committee before membership is approved. This is an informal process and helps the potential new member become acquainted with the Club's water and a couple of members and the Club to get to know them.

The purpose of this is twofold: one to meet with the prospective new member and find out more about them, and two, to show you the reservoir.

- 4 If your application is accepted but there are no vacancies then you will be notified of the position and added to the waiting list based strictly on the order of the date the application is accepted. You will be contacted when a place becomes available.
- 5 If your application is accepted and there is a vacancy then you will be contacted with a formal invitation to join upon payment of the Club bond, joining fee and appropriate subscription fee.
- 6 The bond is a single payment due on joining the Club and is returnable in accordance with the Club's rules if membership ceases. The joining fee is a one off fee and is not refundable. The membership fee is an annual payment due on 1st January each year but reductions will apply if the application is received after 1st June. The bond is £200, the joining fee is £100 and for the 2019 season the Subscription fee is £150 .
- 7 On receipt of payment, you will be sent an acceptance letter and new member pack including:-
